

Dear Supplier,

Foresco Pallets & Packaging has grown significantly in recent years through several acquisitions. This has enabled us to substantially expand our customer offering and product range. However, this growth also meant that we were operating with different administrative systems and points of contact. To streamline our organisation and make Foresco more transparent for you and our customers, we merged our Dutch companies **as of 1 June 2025** into a single legal entity: **Foresco NL B.V.**

Our current details:

Since 1 June 2025, the following details apply to our locations in the Netherlands:

Name	: Foresco NL B.V.
Address	: Randweg 15–17, 8061 RW Hasselt
VAT number	: NL009921126B01
Invoice email address	: invoice.nl@foresco.eu
Payment reminders / invoice enquiries email address	: accounts.payable.NL@foresco.eu

We kindly ask you to update your administrative systems with these details (if you have not already done so) and to use the above information for deliveries and invoicing.

Important invoicing instructions

To ensure prompt processing and payment, please observe the following:

- Clearly state the **purchase order number (IO) on every purchase invoice.**
- If you have not received a purchase order number, please **state the site code** and the **name of the person** who placed the order.
- Please **send each invoice including attachments as one single PDF file.**

The attachment includes an overview of the site codes.

Please note: if your invoice does not comply with the above details and instructions, we cannot guarantee timely processing and payment.

If you have any questions or comments in the meantime, please feel free to contact your usual contacts within Foresco. We are here to help.

Yours sincerely,

Wim van Dijk
