

June 2025

Dear Sir/Madam,

Thanks to various acquisitions, Foresco Pallets & Packaging has grown rapidly in recent years and continues to grow and develop. This has enabled us to significantly broaden our customer offerings and product range.

To further support this growth and make our collaboration with you even more efficient, we are joining forces. We have decided to merge our Dutch companies into one entity, "Foresco NL B.V." You will also have a single point of contact with the commercial department who can assist you with all your questions and requests.

On June 1st, 2025, we continued as one organization. This step will enable us to operate even more transparently and decisively, with one clear structure and one strong brand.

AS OF 1 JUNE 2025, these are our new details for locations in the Netherlands:
