

FORESCO BELGIUM ONE ORGANISATION

January 2025

Dear supplier,

Foresco Pallets & Packaging has grown significantly in recent years thanks to various acquisitions. This has enabled us to greatly expand our customer offering and product range. However, it also meant that we operated with different administrative systems and contacts.

To streamline the various companies and make Foresco more transparent for you and our customers, we have decided to merge our Belgian companies into one entity, "Foresco BE". This was effected on 1 January 2025.

AS OF 1 JANUARY 2025, these are our new details for the branches in Belgium:

Name	: Foresco BE nv
Address	: Eikelaarstraat 32, 3600 Genk
VAT number	: BE0439243813
Email addresses for invoices	: See attachment

We request that you implement this change in your administrative systems in a timely manner.

We ask you to clearly mention **the purchase order number (IO)** on every purchase invoice. If you have not received it, please mention **the branch code** and the person who placed the order. Each invoice, including attachments, must be sent in one PDF file. You will find an overview of the branch codes in the attachment.

We cannot guarantee timely processing and payment if the invoices you send do not comply with the above information.

If you have any questions or comments in the meantime, you can always contact your contacts within Foresco. We are here for you.

Kind regards,

Filip Rollier
Country Manager Foresco Belgium

Frank van Hoesel
Purchasing Director Foresco
