

**SUBJECT: ALIGNMENT E-INVOICING & PEPPOL – FORESCO BE NV**

Dear Supplier,

As of **1 January 2026**, new legislation will come into force in Belgium making the use of **structured electronic invoices via the Peppol network** mandatory for all B2B transactions between Belgian VAT-registered businesses. **This means that PDF invoices sent by email will no longer be accepted.**

We therefore kindly ask you to submit your invoices **exclusively via the Peppol platform from 1 January 2026 onwards**. Due to the new legislation, we will no longer be able to process PDF invoices sent by email.

As a supplier to Foresco Belgium, we ask you to always include the correct GLN number, our purchase order number and our primary Peppol ID in your XML invoices, so that your invoices can be processed correctly and on time.

More information regarding e-invoicing in Belgium can be found at: <https://efacture.belgium.be>.
